

The Fiber House Class Descriptions

APR - JUN 2026

This quarter our classes are going to be wide-ranging. Choose to knit a top-down raglan baby sweater or a bottom-up wallaby for older kids and adults (or do both!), learn how to make alterations to a knit garment, make a Tunisian crochet summer top, join our Stephen West Bubbly Blossoms KAL, come in for a dyeing class, and then in late June learn to spin your own yarn. We also continue our “stitch of the week” on Wednesdays so you can build new skills or delve into something new and different.

Class calendars are at the bottom of this document.

REMEMBER –

CLASSES FOR KNITTING AND CROCHET ARE GENERALLY FREE IF YOU PURCHASE SUPPLIES (YARN AND PATTERNS) FROM US.

IF YOU BRING IN YOUR OWN SUPPLIES OR IF YOU REQUEST A ONE-ON-ONE CLASS THE COST IS \$10
WE ARE ALWAYS AVAILABLE ANYTIME FOR ASSISTANCE ON PROJECTS

LEARN TO KNIT/CROCHET

Every Monday thru Saturday 10am to noon, Wednesday all day.

Free

Individual instruction available for beginners. No appointment necessary but call ahead to make sure a seat is available.

STITCH OF THE WEEK

Wednesdays

All Day

Free

Skill building workshops. Every Wednesday we’ll focus on a different knit or crochet stitch or technique. For these tutorials, you can use any yarn and needles/hooks you have available. Knitting classes will focus on learning to read your stitches, fixing mistakes, and reading charts. Crochet classes will be about reading your stitches, understanding crochet symbols, and working on different patterns.

April 1 – Crochet – Reading your crochet stitches

April 8 – Knit – Reading your knit stitches

April 15 – Crochet – Understanding crochet symbols

April 22 – Knit – Pick up a dropped stitch

April 29 – Crochet – Crochet in the round

May 6 – Knit – Fix a knit or purl mistake

May 13 – Crochet – Making a granny square

May 20 – Knit – Fix a cable mistake

May 27 – Crochet – Make a hexagon flower

June 3 – Knit – Reading a lace chart

June 10 – Crochet – Learn the corner-to-corner pattern

June 17 – Knit – Reading a cable chart

June 24 – Crochet – Learn the crocodile stitch

CUTEST BABY CARDIGAN

Fri, Apr 3, May 1, May 29
Sat, Apr 18, June 20

1-4 pm

Free

This sweet and easy baby cardigan sweater is worked top-down with raglan sleeves. Several patterns are available on Ravelry but doing it “Donna’s way” there are no seams to sew and only a few underarm stitches to pick up. Sizes range from newborn to 2 or 3 years (depending on the pattern). Worked all in one piece the edgings (collar, button/buttonhole bands, sleeve cuff and bottom cuff) are all done in garter or seed stitch and the rest is in stockinette. You can choose to work the entire sweater in one color or if you’d like, work in two colors as shown, and use the intarsia technique to work the button/ buttonhole bands in the contrasting color. The sample shown uses two Plymouth yarns: *Softserve* and the new *MiraMar* (both 100% antipill acrylic for easy baby care). Uses a worsted weight yarn and US7 or 8 needles.

ALTER IT! FIX IT!

Fri, Apr 17, June 5
Sat, Apr 4, May 16, June 27

1-4 pm

Free

Have you ever finished a knit garment and then realized the arms or the body is/are too short or too long? Want to lengthen the sleeves or body of a child’s sweater? Are the toes of your hand knit socks worn out? Want to re-knit the frayed cuffs of a sweater? Add a pocket to a knit sweater? In this class you will learn the secret of how to fix all of these situations. Unfortunately, this only works for knitted garments. Bring in your problem item and we’ll discuss if it can be fix and how to do it. Or if you want the practice, knit a small swatch (either flat or in the round). Some of the techniques learned will include picking up live stitches and kitchener stitch.

WONDERFUL WALLABY SWEATER

Fri, Apr 24, May 22, June 26
Sat, Apr 11, May 9

1-4 pm

Free

For older kids and adults the Wonderful Wallaby is a favorite sweater pattern from Cottage Creations and has been around for years. This pullover raglan sweater is worked from the bottom up and features a kangaroo pocket and an optional hood. We have print copies for both children and adult sizes or the digital version is available on Ravelry. Uses worsted weight yarn and US 8 needles.

TUNISIAN CROCHET SUMMER TOP

Fri, Apr 10, May 15, June 12
Sat, Apr 25, May 30, July 3

1-4 pm

Free

Tunisian crochet is not just for afghans! I have several tops and vests made in Tunisian crochet and I am currently working on the Gilliam tee designed by Dora Ohrenstein. The top is one of 15 designs in *The Tunisian Crochet Sweater Collection*. We have other books available with more Tunisian crochet tops and sweaters. Using a thinner yarn (sport or dk) and a larger Tunisian hook creates great designs with lots of lovely drape. Many of the patterns are worked in Tunisian simple stitch (the basic Tunisian stitch) but you can also learn the Tunisian knit and purl stitches to create garments that look like they were knit! Yarn and hook size will depend on the pattern selected. For my top I am using a Noro's *Yukata* (a sport weight) and a 6.0mm (US J) hook.

STEPHEN WEST'S BUBBLY BLOSSOM KAL

Fri, May 8, June 19
Sat, May 2, May 23, June 6

1-4 pm

Free

Starting at the beginning of May we will be doing another in our series of MAL for the year. This KAL will be taught by Sharon M. and Georgann L. This beautiful shawl features slip stitch knitting and short rows using at least four colors of fingering weight yarn. Since there are so many possible color combinations, rather than making up kits, we'll guide you in your personal selection. We have some color suggestions available. Check out the beautiful version knit by Sharon on display at the store. In addition to the Friday and Saturday classes, help will be available from Sharon and Georgann on Tuesdays

and Janet and I throughout the rest of the week.

CAKE DYEING IN A SKILLET

(YARN CAKE NOT FOOD – LOL)

Sat, June 13

11 am-4 pm

Price to be Announced

We love dyeing yarns and Janet is always on the lookout for a new way to play with dyes. This cool technique is a way to dye round cakes of yarn with two colors. We will be using non-toxic Wilton food dyes. Please note that this class starts at 11 am in the morning so that we have time to complete the dyeing process. **Due to space constraints the class is limited to 10 people and sign-up is required.** If we have enough interest we will repeat the class in July.

THE HUB ON SMITH GROUP

Every Thursday at The Hub

1-3 pm

Everyone is welcome! You don't have to be a "senior" to join the group. Come in and learn to knit or crochet or just hang out with a fun and crazy group.
